THE P6 ROVER OWNERS CLUB

ABOUT THE CLUB

Monthly regional meetings are spread across the whole of the UK where members can meet locally. Overseas meetings are also active.

The Club exhibits at the major Classic Car shows, and a programme of local, national and international rallies and events – often in conjunction with other Rover Clubs – runs throughout each year. The Club's magazine 'P6 NEWS' appears every two months and is the main means, for many members, of keeping in touch – not least with cars and parts for sale.

There is a growing network of P6 parts specialists and, encouraged by our Club's growth and the popularity of the P6 Rover, they have embarked on the re-manufacture of a number of essential running components.

A Technical Advice Team is available to answer members' queries on history, servicing and repair, restoration and rebuilding, parts availability and specialised services. For the purposes of Agreed Value insurance, members' cars can be valued by the Club.

Members can also take advantage of our Club's Insurance Scheme and can obtain discounted rates which will normally more than cover the cost of the Club subscription.

Membership of the Club is open to anyone aged 17 and over, with an interest in P6 Rovers.
